OUR VOICE SA

OVSA in the country – Mt Gambier

Mt Gambier held a disability expo run by our very own Kate.

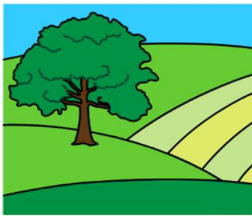

Over 200 people came to visit on the day to learn and take part in activities.

Our Voice members shared their artwork and musical skills.

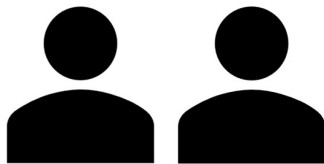

OVSA in the country – Whyalla

The OVSA Whyalla Group met with the Whyalla City Council.

2 people from the events team came to share information and answer questions.

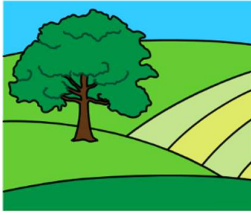

Members asked questions about accessing their community.

Members told the council that they want

- more accessible events.
- To share feedback for events in easy ways.
- more events in Whyalla.
- To volunteer at events.

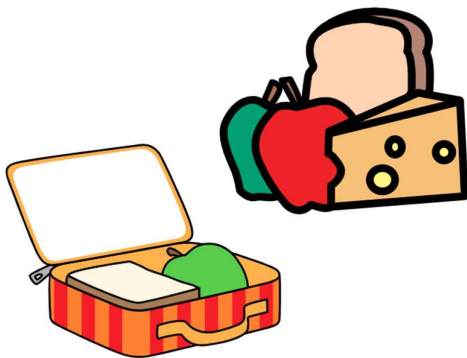

OVSA in the country – Mt Barker

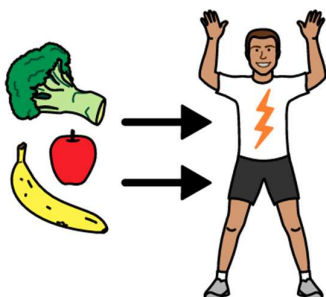

Mt Barker have been learning about healthy eating.

Members got to

- Try new foods.
- Make their own lunch.
- and
- learn about a balanced diet.

This is important because it means we can feel healthy and live our best lives.

Stories from you

Walter has had chickens for 10 years.

He collects the eggs every day and sells them for \$5 per dozen at the local community centre

Other people in his neighbourhood also buy his eggs.

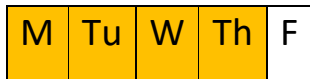

Walter says the best thing about having chickens is that I don't have to pay for eggs!
